COLOR DISCLAIMER: Due to variations in computer monitor displays, internet browsers and user settings, the color samples above may appear differently among different viewers. It is not possible to guarantee that our color chart will look the same on all computers, thus we do not guarantee that what you see above accurately portrays the true color of the neoprene we stock. We do our very best to ensure our color chart is as close to the exact product as possible, but if it is crucial that the colors be exact, it is highly recommended that you order a sample first before placing a full order. Please also note that minimal color variation may exist between different dye lots of the same color.
